

Award Application Submission Sheet

See explanatory memo from Andrés Hernández dated May 5, 2023

Please forward the completed form to the Department Chair and Andrés Hernández for review prior to formal submission. You will receive a message acknowledging your form, and if there are any questions/concerns, someone will reach out to you.

At times, a fellowship or grant application may not require you to submit via UC Merced's Sponsored Projects Office, but we encourage all proposals/applications to go through SPO. If you are unsure if your proposal must be submitted via the SPO, we ask that you contact: spo@ucmerced.edu and/or ssha.research@ucmerced.edu to be sure. ***You need to complete this form only if your proposal does not go through SPO.***

1. PI information

Name:

Department:

Other SSHA faculty on the proposal (name and department):

2. Funding source (e.g., APA, Mellon, etc.):

3. Amount requested in application to source:

4. Resources:

Highlight or list any specific needs you feel the Chair/SSHA should be aware of. Will you require cost sharing? Course release? Special additional space? Leave/Sabbatical, etc. Dollar amount (if available)

5. Any other comments (optional):

After your submission of this form, you should receive an email that it has been received within 2 business days. If there are questions/comments, your Chair or Andrés will contact you.

You may still proceed with your application during the 2 business day waiting period.

Thank You.
